WACO family and Friends

As usual we all had a good time at B&C BBQ. We had around 18 people that showed up. The food was good and we had time to BS which is always good. You should try to attend our luncheons when you get the chance.

We have decided to have our next meeting at “**Mortdecai’s Tavern & Eatery**” around 6:30 pm on April 7th. They have a limited menu in case you plan on eating there. This bar was just recently opened by Mike Howell’s brother, Pete Howell. It is just North of Greenwich (330 S Greenwich) and Kellogg in the little mall that has Two Brothers BBQ in it. It is on the East side of Greenwich. I think that it use to be called the Lizard Lounge or something like that.

This is just for fun and to BS with anyone that wants to show up. We should be there for a while so come by after you get off of work.

I will definitely have the WACO decals with me for members who would like to pick theirs up. I will probably have the banners there also.

Follow this link to a song that I think you will all enjoy and you probably won’t be able to get it out of you head. ☺ Jeff Beck and ZZ Top (the old Ernie Ford song)

Here is another one that I like. The Sound of Silence

Please don’t forget to attend the Clearwater Cruise In this Saturday. Here is the information on this cruise in again:

Here is a new event that we should all try to attend.

Ron Fleming, one of our good members, is helping to get this event started.

What else do you have to do on Saturday morning or early afternoon?

Drive on out to see your friends and have a good time.

Many of you have already received your WACO decals. You might have noticed that the white on clear ones are printed in reverse. This means that they go on the inside of glass so they can be seen correctly on the outside. I am picking some more up today that are printed the other way so that they can be put on the outside of just about any surface and be read. Ask me for one the next time that I see you.

Richard's Little DQ is open for business.

For those of you who want to get signed up for your Covid-19 vaccination, here is a link that can get you signed up.

My daughter, Amanda, sent me this link knowing my limited abilities with computer stuff so you know it is easy. Give it a shot if you are so inclined. 😊

It is great to see that some of you are already mailing in your **yearly dues for 2021**. Most of our members renew their membership in the first quarter of each year. We will get past all of this covid crap and get back to doing a lot of car activities. Thank You for keeping your interest in WACO and all of the things that we try to do.

Mail Your \$20.00 to WACO 7550 N Greenwich Wichita KS 67226.

If you want any extra decals please include that on your check and a note saying what you want.

If you have anything that you want me to put in the WACO Update, please send it to me and I will put it in for you.

That is all for now.

I hope to see all of you soon.
