

11/30/21

WACO family and Friends;

Our **next meeting** is coming up fast, Tomorrow, Wednesday December 1st, 6:30 pm at Mike's house, 11400 East Douglas. Our meeting on Wednesday will be a lot of fun. We have a lot of items to discuss like, Shirt Order, Christmas Party, WACO Luncheon, show and tell items and many more things. **Don't forget to bring your show and tell items.**

Shirt Order: We have picked up the shirt order from US Logo. Please attend this meeting so you can pay for and pick up your shirt.

There were two small problems with the shirt order. The red shirts that came in for our order were not the style that we wanted so we have to wait on the red shirts. The other small problem that we had was that we got gray shirts instead of the charcoal shirts that we wanted. If you ordered a charcoal colored shirt you can either take a gray one or wait for the charcoal colored ones to come in with the red ones.

Sorry for the delay.

The big item that we discussed at our last meeting was the **Christmas Party**. We picked a date, Saturday December 18th, 5:00 pm until ????. It will be held in Mike's garage 11400 E. Douglas, (134 N Dowell. Old address). You can show up as early as 4:30 pm if you have something that you need to set up or plug it in to heat it.

Please let me know what children you are bringing so we can make sure that we have gifts for all of the kids. Please let us know their age and male or female.

The dinner will be pot luck style with everyone bringing a side dish or desert. WACO will pay for the meats. So far Mike has volunteered to smoke a turkey, Gerald has volunteered to smoke some brisket and Reuben has volunteered to cook a ham. If you would like to volunteer to cook some other meat, please let me know.

This is a byob event but there will be a few adult beverages available and plenty of water and soft drinks.

As people volunteer to bring sides / deserts, I will try to keep the list updated. That does not mean that you cannot bring something that is already on the list if you really like it. It's all for fun.

The sides that people have volunteered for so far are, Brisket, Turkey, Ham, bbq meatballs, broccoli salad, potato salad, deviled eggs, vegetables of some kind, mac & cheese casserole, 7 layer salad,

I know that I miss things at times. So if you sent me something to put on the list and I missed it, please send it again.

If you don't want to bring anything, don't worry about it. We always have plenty of food. The main thing is that you attend.

We want to have a gift exchange and have white elephant / gag gifts for everyone, no junk please. Exchange gifts should be \$20.00 or less gifts, bring one and receive one. If you don't want to bring one then don't. We are going to have a fire pit outside at the party, that will be fun. We will try to make sure that there are gifts for all of the kids.

We need to make some plans. Start thinking about it and volunteer for the party committee.

There will be restroom facilities in the garage at our Christmas Party.

I would like to encourage everyone to go to our Chevelle website, www.wichitachevelle.com, and check out all of the pictures that David Hime and Dale have added to our website. There are a whole lot of good pictures from most of the WACO events that we had in 2021. They are great pictures like the one I have attached as a sample. Please take out a few minutes and go to our web site and look under Photos, WACO events, to see many of the pictures from some of our events. If you have photos from some events that are not shown please get with David Hime to get your photos added to our site. I know that there were more events than we have listed, like the steak feed.

If you think about all of the events that we attended as a club or did as a club in 2021 like; Starting an engine at Gary's, Lake Afton, Engine Swap at Micks, Augusta Motorcycle Museum, Tank Museum and the Hobo Happening and many more, you will see that we can have a good time with WACO.

All: Seeking advice about originality. In my attempt to keep my recently acquired Chevelle, I'm seeking to keep it "original" down to the water pump and alternator. Does anyone know a place that will rebuild them? Thanks for any reply. Kelly Parks, bowtie58@sbcglobal.net

Cars for Charity. Jan 14, 15, & 16, 2022. If you plan on entering a car, you need to do it by Nov 30th. This show fills up quick in Dec. I will enter mine in the next couple of weeks. Cost is basically the cost of 2 adult tickets to see the show. If you want to enter, be sure to mark the form with our club name Wichita Area Chevelle Owners. David Hime 316-371-7100

Chili Cookoff: We need to talk about the Chili cook off. I think our March time frame like we have used in the past would be the best time to do it. I would like to have it at the Augusta Motorcycle Museum. The cost would be \$75 for the club. I still need to check to see if we can bring alcohol. The other thing is if we have kids there we will need to keep a close eye on them. David Hime 316-371-7100
