WACO family and Friends;

Many items and events listed below, way below.

The Sunflower Swap Meet didn't turn out to be too bad of a meet. I think that most of our members sold many of the things that they brought to sell. There were a lot of booths set up with a lot of items to buy, just not that many Chevelle parts. Most of the things that I purchased were from other WACO members. ☺ We did renew our spots for next even though they raised the price again.

Chili Cookoff: Speaking of the **Chili Cookoff**, it is scheduled for Saturday March 19th at Mike and Cindy's place, 11400 E Douglas from 5:00 pm until ?. If you want to help set up or have items that you need to plug in to get ready you can show up as early as 4:00 pm.

For those of you who are not familiar with this event here is a recap of what it is about. Anyone that wants to can bring their favorite homemade chili to be shared with everyone. We line the chili up by Hot and Mild. We all get to sample the different ones and vote on which one of each category that you think is the best. We have awards for the top 3 in each category. If you do not wish to bring chili you can bring a side dish or a desert. We have awards for the top three in this category also.

It is all just for fun and everyone has a good time. You do not have to bring anything if you do not want to.

Attached are the minutes from our March meeting compliments of Becky Stukey.

Does anyone know what the correct dates are for the MAD Swap Meet? April 15th & 16th 2022 or is it the 22nd and 23rd?

Someone please let me know.

Mick said he is looking for some 1968 big block heads for a 396 to put on his motor. call 316-350-0068

Purple Martins: It is time to clean out your Purple Martin bird houses and have them ready for new tenants.

March is usually the month when most of our members pay their **dues** so we know how much we have to spend during the year. I would like to thank those of you who have paid their dues already. About a third of our members have paid already.

I went by Richard Barrett's house yesterday, The owner of **Richard's Little DQ**, to see what his plans for the year are. The bad news is that Richard does not plan on opening the DQ this year. He is still trying to sell it but no luck so far. We are going to need to find us another monthly cruise spot.

Richard is a very interesting person. You will have to talk to him about his dozen or so cars and motorcycles and his military service in the Navy on an aircraft carrier.

I did invite Richard to our Chili Cookoff. I think that he plans on attending.

From the responses that I have received, we are going to put our logo on the 2022 Lake Afton T-shirt. I have contacted them to make the arrangements. The Lake Afton event is Sunday June 12th. It is the 50th Anniversary of the show

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

Cruises: Becky and Doug are putting together an impressive list of spots to cruise to sometime this year. I think we are going to try and coordinate our cruises with out of town car shows so we have more than one reason to cruise somewhere. It sounds like fun to me. Please send me more suggestions so we can have some nice cruises in our Chevelle's in 2022.

It is time to start planning some **cruises for 2022**. Dan has already suggested that we cruise to a real good hamburger joint called Toot's in Howard Kansas. Sounds like a good time to me. If we can find some nice days in the first quarter of the year then maybe we can get an early start on cruising.

Shirts: I will have all of the shirts with me at our next meeting and other events.

Currently, at this moment we have the following:

In the XXL we have 3 red, 2 Charcoal, 4 Blue and 1 Gray.

In the XL we have 3 Gray.

If you want one of these shirts you should speak up now and get yours reserved. We will probably not be ordering more of these shirts.

Steve Steigerwald is looking for a couple of items. He needs / wants, a 1" rear sway bar for his 1965 Chevelle wagon. I think they fit all of the Chevelle's from 64 through 72. I think the original one was 7/8" but I am not positive on that. Steve 814-573-2215 or steigerw@mdvl.net
