WACO family and Friends;

I hope that you all enjoyed the pictures of "The Garage" cruise that we did last month. I hope that we can do something fun again like that this month.

Sorry that the link on the Z16 that I sent out stopped working before you got the chance to see it. Maybe we will find it again.

Next Meeting: The next WACO meeting will be held at Mike's place, Wednesday August 3rd at 6:30 pm.. We plan on having hot dogs and watermelon at the meeting for everyone who wants some. If you would like to bring something to share with others, please do. We will try to keep the meeting short so that we will have time to enjoy our food and maybe have a watermelon seed spitting contest. Do you think that Doug will volunteer to be the target? J

MCR 2022: Karl pointed out to me the other day that we need to work on our cruise plans to attend the **Regionals** in KC this year. Think about what you want to do. My plans so far are to cruise up on Friday morning and probably return Saturday evening. What do you want to do?

MCR 2023: We need to talk about the 2023 Regionals at our next meeting. My suggestion is rather than take up our monthly meeting time for this discussion we should pick a time and place to meet where the people that want to join in the in depth discussion can meet. Please help pick a date and time at the meeting.

Luncheon: David Hime has several great suggestions for local cruises / luncheons. I am not sure if he is going to pick some dates or if we are going to talk about it at the next meeting.

Vote: Don't forget to vote on August 2nd at your usual polling places.

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

I am sure that all of our members know of at least one interesting thing that they can show other members and / or teach members about. Think about things that you can share and then do it.

Below under CAR Shows I have put two links that will show you most of the shows that are going on this year. We are heading into a very busy season.

Do Not Forget to pay your yearly WACO Dues.

Wanted: A friend of WACO, Scott Gimple 316-371-3658, needs our help in finding an original rear seat belt for his 1972 convertible. I am attaching a picture of the one that he has, he needs another one to match. They seem to be a small belt and buckle. Please give Scott a call or text if you think that you can help him out.

JR has a few parts for sale if anyone is interested. I have few items I'm selling, 1969 Chevelle OEM front bumper with brackets... Fair condition...Will need be refurbished for show quality... \$100...316-204-9910 call or text... Thanks JR

Micks next door neighbor has a 1967 327 For Sale. It is complete from the carb to the oil pan, you can hear it run, it has the double hump heads on it and a mild cam in it. If you are interested, please give Mick a call 316-350-0068.

Mick said he is looking for some 1968 big block heads for a 396 to put on his motor.

Steve Steigerwald is looking for a couple of items. He needs / wants, a 1" rear sway bar for his 1965 Chevelle wagon. I think they fit all of the Chevelle's from 64 through 72. I think the original one was 7/8" but I am not positive on that. Steve 814-573-2215 or steigerw@mdvl.net

Doug came up with an interesting car, if anyone is interested.

David I had a neighbor come by yesterday with a 1965 Tempest 4 door. The car has original light turquoise paint, its straight no damage.

Appears to always garaged. He was telling me the 326 has been rebuilt car is showing 96000 original miles. He is asking \$6500 and is negotiable. I told him I would let our club know about it. The car appeared to be in very good condition. Doug 316-832-1028
