

08/09/22

WACO family and Friends;

With the 2023 Regionals kind of up in the air at the moment because the Nebraska club can't find a spot to hold it in, we scheduled a meeting to talk about the **2023 Regionals only. Everyone is invited to this meeting** so that we can discuss if we want to host it, where to host it, what will need done if we do decide to host it. Nothing is set in stone about it at this time. Please try to attend this meeting. We are going to have the meeting at Doug & Becky Stukey's home, 2257 Cardinal Wichita KS 67204. Approximate location is North of 21st Street between Meridian (Amidon?) and West Street. You can Google it and find it easily. We will get together on **Wednesday 08/10/22 at 2:00 pm**. This is the correct date.

2257 N. Cardinal Drive

Wichita, Ks 67204

1 block north of 21st street between Amidon and West Street. There is an Evergy power sub-station on 21st street and Cardinal goes North from there. We are one block north on the west side of Cardinal. The driveway is on the back of the house. We live at the corner of Benjamin & Cardinal and the driveway is on Benjamin.

From 235 exit on 25th street north. Go east to the first street which is Hyacinth. Turn South or right on Hyacinth and go to the 2nd corner which is Benjamin street. Turn west or right on Benjamin and go one block to Cardinal. Our house is on the southwest corner of the intersection of Benjamin & Cardinal. The driveway is on Benjamin street.

You can come in the gate by the garage doors to our back door or come around the house to the front door. Either way is fine.

I have attached the minutes from our meeting that Becky has provided. They give a lot more detail as to what went on at the meeting.

Wednesday evening we had a very good meeting. We decided to not have the watermelon because it was way to hot out to sit outside and enjoy it. We will try to have the watermelon at the next meeting hoping that the weather will cooperate.

We had some real good discussions and some interesting Show N Tell items.

One of our members, Roger Wiggett, sent me a couple of car show fliers on events that he thought would be good to attend.

Rally at The Regent, Friday Sept 16, 5-8:00 pm, 2050 N Webb.

Reflection Ridge Car Show, Saturday 9/17/22, 3110 N Ridge Road.

MCR 2022: Karl pointed out to me the other day that we need to work on our cruise plans to attend the **Regionals** in KC this year. Think about what you want to do. My plans so far are to cruise up on Friday morning and probably return Saturday evening. What do you want to do?

Luncheon: Was anything decided about a luncheon at the meeting? David Hime has several great suggestions for local cruises / luncheons. I am not sure if he is going to pick some dates or if we are going to talk about it at the next meeting.

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

I am sure that all of our members know of at least one interesting thing that they can show other members and / or teach members about. Think about things that you can share and then do it.

Below under CAR Shows I have put two links that will show you most of the shows that are going on this year. We are heading into a very busy season.

Do Not Forget to pay your yearly WACO Dues.

WACO Events:

WACO Monthly Meeting –

WACO Luncheon – Please make a suggestion. Where and when?

SWAP MEETS:

CRUISES:

El Dorado Friday Night Cruises – Central between Haverhill & Vine, -

Draggin Douglas –

Needed or For Sale items:

Wanted: A friend of WACO, Scott Gimple 316-371-3658, needs our help in finding an original rear seat belt for his 1972 convertible. I am attaching a picture of the one that he has, he needs another one to match. They seem to be a small belt and buckle. Please give Scott a call or text if you think that you can help him out.

Steve Steigerwald is looking for a couple of items. He needs / wants, a 1” rear sway bar for his 1965 Chevelle wagon. I think they fit all of the Chevelle’s from 64 through 72. I think the original one was 7/8” but I am not positive on that. Steve 814-573-2215 or steigerw@mdvl.net
