## **WACO family and Friends;**

Our next WACO monthly meeting will be held on Wednesday September 7<sup>th</sup>, 6:30 pm at Mike Howell's shop, 11400 E. Douglas.

We have a lot of things to talk about so please plan on attending.

Roger is giving us the opportunity to write an article that will be published in the Reflection Ridge magazine called "STROLL". It looks like a very nice magazine and it will give us a chance to high lite our club and get some local exposure. I think we can have the article about the history of WACO and have a few pictures of our Chevelles printed. The article should come out in the December issue. Your thoughts?

David Hime has been keeping an eye on **Richard's Little DQ**. I believe that they have reopened under new management. I think that David Hime said that he would stop by and talk to the new owners about us having a cruise night with them. We will see what happens. They have repaved the parking lot and it looks great.

**MCR 2022:** We need to work on our cruise plans to attend the **Regionals** in KC this year. Think about what you want to do.

My plans (**David G.**) so far are to cruise up on Friday morning and probably stay over Saturday night to go to a KC museum and then go on a little cruise through Missouri.

Here is what **David Hime** plans on doing: My plans for the regional is to go up Fri morning. I will take the turnpike to Emporia then I-35 the rest of the way.

**Bob Cox and I (Kevin Clark) are planning** on riding together to the KC regional show. We will plan on driving to KC with any of the WACO members on that Friday morning. We've made reservations at the Best Western across the street from Nebraska Furniture Mart. Then drive back to Wichita that Saturday after the show.

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

I am sure that all of our members know of at least one interesting thing that they can show other members and / or teach members about. Think about things that you can share and then do it.

Militaria club gun show. It is the weekend of Nov 5 & 6. By calling it a Militaria and Gun show, we hope to interest a few more people. THANKS Gene League

Below under CAR Shows I have put two links that will show you most of the shows that are going on this year. We are heading into a very busy season.

**Needed or For Sale items:**

Good afternoon,

We have decided to sell our tow dolly and try to find a different type of trailer that would be more useful to us and keep me from having to get under the car to remove and install the driveshaft each time. We purchased it last fall in Kansas City, towed it home and has never had a car on it. I blocked it up and stored the wheels in the garage to keep them out of the weather.

It is titled as a 2022 Shehl tow dolly model ST80TD SURGE

It has surge brakes NOT electric  
I have all of the paperwork and instructions for it.  
Asking \$2300.00 OBO  
Thanks Matt
