## **WACO family and Friends;**

I thought that we had a great meeting last Wednesday evening. We had 23 members at the meeting which was great.

I have attached the minutes from our meeting that Becky has provided for us. Please read the minutes for all of the meeting details.

Russell Webber sent me this link to view the Z-16 story. We will try it again and see if it works. [https://youtu.be/y-Ry6F3IK\\_4](https://youtu.be/y-Ry6F3IK_4) Follow the link and see if it works. 😊

Doug Stukey, our illustrious Vice President has written an article for the "Stroll" magazine which I have submitted to Roger to get an approval on. We will see if it is what they want and then go from there. Roger is giving us the opportunity to write an article that will be published in the Reflection Ridge magazine called "STROLL". It looks like a very nice magazine and it will give us a chance to high lite our club and get some local exposure. I think we can have the article about the history of WACO and have a few pictures of our Chevelles printed. The article should come out in the December issue. Your thoughts?

### **DQ Cruise Night: ???**

David Hime stopped by and had the opportunity to talk to the new owners of "**Richards Little Dairy Queen**" and try to set up a **cruise in night**. David worked out the same deal with them as what we had with Richard. So please make sure that you show up when we get a date established so that we can show the new owners that we are there to support them.

**MCR 2022:** We need to work on our cruise plans to attend the **Regionals** in KC this year. Think about what you want to do.

My plans (**David G.**) so far are to cruise up on Friday morning and probably stay over Saturday night to go to a KC museum and then go on a little cruise through Missouri.

Here is what **David Hime** plans on doing: My plans for the regional is to go up Fri morning. I will take the turnpike to Emporia then I-35 the rest of the way.

**Bob Cox and I (Kevin Clark) are planning** on riding together to the KC regional show. We will plan on driving to KC with any of the WACO members on that Friday morning. We've made reservations at the Best Western across the street from Nebraska Furniture Mart. Then drive back to Wichita that Saturday after the show.

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

I am sure that all of our members know of at least one interesting thing that they can show other members and / or teach members about. Think about things that you can share and then do it.

Below under CAR Shows I have put two links that will show you most of the shows that are going on this year. We are heading into a very busy season.

**Needed or For Sale items:**

Good afternoon,

We have decided to sell our tow dolly and try to find a different type of trailer that would be more useful to us and keep me from having to get under the car to remove and install the driveshaft each time. We purchased it last fall in Kansas City, towed it home and has never had a car on it. I blocked it up and stored the wheels in the garage to keep them out of the weather.

It is titled as a 2022 Shehl tow dolly model ST80TD SURGE

It has surge brakes NOT electric

I have all of the paperwork and instructions for it.

Asking \$2300.00 OBO

Thanks Matt
