WACO family and Friends;

We should all should plan on going to the **November 19th Hobo Happening** in Douglass Ks. It is a fun event each year and is held in rain or snow so please try to attend with the rest of the club members.

I think that we had approximately 14 people attend our WACO Luncheon at the New Town and Country Classic on 21st street. We didn't hang out for a long time but I think we all got to visit for a while and have a good time. It was good to see everyone there.

Maybe we should have another luncheon this week or next week so we can all hear about David Hime's deer camp experience this year. Let me know.

We have another new member, Richard Barrett. Most of you should know Richard from all of our fun events this past summer at the DQ. Remember to welcome Richard to WACO the next time that you see him.

I have also attached the minutes from our last meeting. Please read them because there is a lot of good information there.

Below is a request from one of our members about doing some wiring on his auto. If you can help him out or you know someone or a shop who can help him please let him know.

Hello WACO family I know I have not been around in a while and have been going through some family problems . Family problems are over and I need to know who is good at wiring up cars. I got some new GOODIES for the car Holley EFI Carburetor, new radiator with dual fans, Holley Distributor with hot coil and msd box, new fuel pump mechanical to EFI and spark plugs and wires. I know it's cold now just looking for help when someone might have time on the weekend or something. There are somethings I don't have like a timing light that works good lighting and a Good BACK lol please let me know if someone can help me after Thanksgiving Thanks Bro Gerald Allen 316-210-9539 gzer1911@gmail.com

If you were at the WACO meeting and left your blue Coleman chair outside in the ditch when you left, you can contact Mike to get it back.

I thought that our monthly WACO meeting was very good. We went over a lot of different things for the club and I think we all had a good time. We had approximately 17 people in attendance, which was down from the October meeting but that was probably because food wasn't being offered in the e-mail this time. ☺ Teresa did bring some snacks so all was good.

During our monthly meeting we decided that we would **not have a meeting in December** since that is a very busy time of the year for most of our members and we will have a really good get together at the **Christmas Party**.

We also decided to have our January meeting on the second Wednesday of the month instead of the first Wednesday like we usually do to get away from the holidays.

WACO has some very nice WACO Work Shirts that would make great Christmas gifts for family and friends or they can be used at the WACO Christmas party gift exchange. ☺

Speaking of the **WACO Christmas Party** we have picked a date, **Saturday December 17th, 5:00 pm until whenever**. Mike and Cindy have agreed to hold the party in Mike's shop like we did last year. (11400 E Douglas) Put it on your calendar now and reserve the date. It is always a really good time.

We have made a lot of fun plans for the party and we do need volunteers to help fulfill those plans. If you would like to shop for kids gifts and or for prizes for the games please let me know and the club will pay you back or give you money in advance for the gifts that you purchase.

We will have a gift exchange again this year, limit \$25.00. We are not going to do any white elephant gifts this year.

We also need volunteers to cook / provide the main meat dishes for the party. So far Jack has volunteers to cook a ham and Mike said he would provide the turkey. The turkey may change into pork loin if Mike changes his mind. Once again WACO will pay for the meat. Please let me know if you would like to cook a main dish of your choice.

I will try to keep everyone posted on **what people are bringing for the dinner.**

Jack – Ham, Mike – Turkey, Teresa – Cheesy Hash Brown Potatoes, Gretchen and Bob Cox – green bean casserole and some kind of desert, etc.

I will send out more information in the next WACO update.

As we all know there was a very dark day in WACO history a year or so ago when Jay Guengerich left us and moved to the KC area. This move left us short of one of our club officers, the Assistant Vice President. To help brighten up our days, Bob Cox has stepped up to fill that vacancy and make all of our days brighter. Let's all remember to welcome Bob and Thank him for filling this very important position.

Another good show that is coming up in January is the **Cars For Charity Show** on January 13th, 14th and 15th of 2023. You should preregister for this show if you plan on attending.

With the help of Dale **we have posted pictures** of our October 15th get together / party on our web site. Please take a moment to check them out by following this link.

These are pictures that I took, with Doug's help of course. 😊 If you have any pictures that you need to add please ask David Hime or I how to get it done.

Do Not Forget to pay your yearly WACO Dues.

There has been a date and time picked for the **2023 Midwest Chevelle Regionals**. The Queen City Chevelle club out of Springfield Mo. Volunteered to host the event.

Here is what Mike Moore had to say about holding the event.

Gentlemen, (he obviously uses this term loosely) ☺

We agreed to get back together by Nov 1 to determine the site of next year's regional. I'm a week early but wanted to let you know Springfield can host the show **June 30 and July 1, 2023** at the Oasis Hotel and Convention Center. Thanks Mike Moore

We now all have plenty of time to plan on attending this event in Springfield. If you can, you really should put this on your calendar for next year.

Maybe WACO should plan ahead and try to host the Regionals in 2024.
