WACO family and Friends;

We had a good time at our last WACO luncheon of the year. We had approximately 15 people in attendance. During the luncheon we just shot the bull and then about half of us went to Mike's shop to finalize our Christmas plans.

This reminds me to ask everyone, if you have a couple of metal folding chairs that you can bring to the Christmas party, please do. We may be short a few chairs depending how many people show up.

We even got a new member "Mike Morris" (70SS), while at the luncheon. He is a friend of another member, Don Overstake, (67SS), who invited him to our luncheon. Make sure to welcome him when you have the chance to meet him.

Speaking of the **WACO Christmas Party** we have picked a date, **Saturday December 17th, 5:00 pm until whenever**. Mike and Cindy have agreed to hold the party in Mike's shop like we did last year. (11400 E Douglas) Put it on your calendar now and reserve the date. It is always a really good time.

You do not have to bring anything or participate in the gift exchange if you do not want to, just show up for a good time with friends.

We have made a lot of fun plans for the party and we do need volunteers to help fulfill those plans. If you would like to shop for kids gifts and or for prizes for the games please let me know and the club will pay you back or give you money in advance for the gifts that you purchase.

We will have a gift exchange again this year for adults, limit \$25.00. We are not going to do any white elephant gifts this year.

We also need volunteers to cook / provide the main meat dishes for the party. So far Jack has volunteered to cook two hams and Mike said he would provide the turkey & pork loin. Once again WACO will pay for the meat. Please let me know if you would like to cook a main dish of your choice.

I will try to keep everyone posted on **what people are bringing for the dinner**.

Jack – Ham, Mike – Turkey & pork loin, Teresa – Cheesy Hash Brown Potatoes, Gretchen and Bob Cox – green bean casserole and some kind of desert, Russell & Beth – green stuff, Jell-O w/pineapple, cottage cheese, fruit,(??), Amanda & Aryah – deviled eggs, Kevin Clark – German Sausages, Mick & Margaret – scalloped corn, David & Sandy – beef stew, Steve & Lori – Sweet Potato Casserole, Brad & Cheri – Cherry Cheese Cake, David & Connie – sugar free chocolate pie, Chester & Julie – pin wheels, Dennis & Susan – ice cream machine, Doug & Becky - stunning wonderful cranberry dish, etc.

During our monthly meeting we decided that we would **not have a meeting in December** since that is a very busy time of the year for most of our members and we will have a really good get together at the **Christmas Party**.

We also decided to have our January meeting on the second Wednesday of the month instead of the first Wednesday like we usually do to get away from the holidays.

WACO has some very nice WACO Work Shirts that would make great Christmas gifts for family and friends or they can be used at the WACO Christmas party gift exchange. 😊

Do Not Forget to pay your yearly WACO Dues.

A good show that is coming up in January is the **Cars For Charity Show** on January 13th, 14th and 15th of 2023. You should preregister for this show if you plan on attending.

There has been a date and time picked for the **2023 Midwest Chevelle Regionals**. The Queen City Chevelle club out of Springfield Mo. Volunteered to host the event.

Here is what Mike Moore had to say about holding the event.
Gentlemen, (he obviously uses this term loosely) 😊

We agreed to get back together by Nov 1 to determine the site of next year's regional. I'm a week early but wanted to let you know Springfield can host the show **June 30 and July 1, 2023** at the Oasis Hotel and Convention Center. Thanks Mike Moore

We now all have plenty of time to plan on attending this event in Springfield. If you can, you really should put this on your calendar for next year.

Maybe WACO should plan ahead and try to host the Regionals in 2024.

If you are looking for a running big block 396 from a 68/69 Chevelle or Camaro call Kent Kincheloe 1-530-260-6769. Right now it is in a 1980 Chevy 4x4 so you can hear it run. He lives in Moline KS. It comes with the carb, intake, headers, most of the stuff to have it run. The headers are 1-1/2 years old, the 600 cfm carb about a year old. It has had a recent valve job done on it. He is going to pull it out of the truck to put in a diesel.
