WACO family and Friends;

It seems like I have been out of touch a lot in the last couple of weeks. I know that you all have been missing the WACO Update. ☺

It sounded like the meeting on May 2nd at Jack's place went well.

Thank You Jack for providing a place for us to meet.

After reading the minutes from the last meeting that were provided by Becky, it seems like I missed a lot by not being there. That happens when you don't attend a meeting. Please make sure that you read the attached minutes.

It sounds like Kevin C., David H. and Bob C. have a good handle on the MCR 2024 for next year. It looks like members voted on a date and maybe a place unless the MCR crew finds something better.

Richard's Little Dairy Queen is back open for the year. What do you all want to do?
No one has sent me any thoughts on this yet!!!!

I don't know who is going to participate / help with the swap meet next week so you should let me know so that we can make plans. Like usual, those who want to help set up can meet at my place (7550 N Greenwich), Thursday morning around 10:30 or 11:00 and we can leave from there. We usually get to Hutch around 12:00, when they open the doors so we can set up. I think that most of the WACO stuff is in the trailer and ready to go. You can just meet us there if you want to.

The swap is meet coming up on May 19th & 20th that you all better be ready for. (see below)

There is going to be another SWAP MEET in Hutchinson at the Fairgrounds on July 15th. It is going to be an outside one day only show. Booth spaces are \$20.00 and are 20' x 20' spaces. I think that I will put us down for one spot and pay for it myself in case others don't agree or don't want to participate. I think that the spot should be big enough that all I will have to do is pull in the trailer and unload.

If anyone would like to step up and volunteer to take over as President of WACO, please let me know.

According to very reliable sources the Friday night meet at Central and West street is back on.

It would be great to have a luncheon on the West end (or North or South) sometime if someone would make a good suggestion. Maybe pick a place that we haven't been to before like I did this time. Variety is the spice of life. ☺

I have received a few suggestions on this but we can always use a few more.

Also, please send me information to put in the "WACO Update". As you can tell most of this stuff I make up myself except for the minutes which are always good for more information. Even jokes from Doug are acceptable. ☺

I have been taking my 65 apart to get it ready to drive to the MCR 2023 in Springfield. It turns out that I needed to do more to it than I had anticipated but I should still have it ready to go. It sounds like Doug has installed his new L79 valve covers before I got mine installed. Beaten once again.

It is time to send in your registration for MCR 2023.

There has been a date and time picked for the **2023 Midwest Chevelle Regionals**. The Queen City Chevelle club out of Springfield Mo. Volunteered to host the event.

Springfield can host the show **June 30 and July 1, 2023** at the Oasis Hotel and Convention Center.

We now all have plenty of time to plan on attending this event in Springfield. If you can, you really should put this on your calendar for next year.

WACO has some very nice WACO Work Shirts for sale. Check them out at the next meeting if you don't already have one. 😊

It is now 2023 and time to renew your WACO dues at only \$30.00 per year.
