

11/17/23

WACO Family and Friends;

It appears that we have quite a few WACO members that plan on attending the Hobo Happening car show tomorrow November 18th in the big city of Douglass KS. It is a good show to attend in November. Contact Bob Cox to let him know that you will be there if you would like him to try and hold you a spot.

I hope to see all of you there.

Our next monthly meeting will be held on Wednesday January 10th, 2024 to get it away from all of the holiday parties.

Do not forget to bring your show and tell item for the meeting.

No regular meeting in December. Just the Christmas party Dec. 16!

Jack shared information about the upcoming Toys for Tots. It will take place Sunday Nov. 19, 2023. It is a cruise in event where you drop off toys at Star Lumber at 325 S. West Street.

We have the best party of the year coming up shortly so please put the Christmas party on your list of events to attend.

Kevin shared that our upcoming Christmas Party would be held at Mike's. Mike's garage is available on Dec. 16 so the club voted to use that date. **Dec. 16, 2023 at 5 PM will be our Christmas Party at Mike's garage.** WACO will furnish the meat and club members will provide the sides. Jack said he would do a ham and a turkey. Kevin will do another type of meat. We will also have our traditional gift exchange and our Bingo game and some other games. Kevin also asked if anyone would be willing to come up with another game for that evening. He also mentioned that Becky, Jack and Teresa had volunteered to purchase gifts for the games and also the kid's gifts. Becky volunteered to look through her file folder and find an appropriate game for the club. Doug consented to running the Bingo game again this year. So those two things are taken care of. Kevin then suggested that if you receive a gift during the gift exchange that you don't really need that maybe you could donate it back to the club to be used for our Regional door prizes. But if you get a gift that you need then of course keep it.

It was also suggested that we keep a running list of who is bringing what sides so that we end up with a good variety. Mike suggested it would be helpful if we had an accurate head count so he knew how to set up the room. It would also be helpful for Becky, Jack, and Teresa to know how many kids are coming and what ages will be here. It was suggested that we have an RSVP deadline of 1 week before the event. Mike will also need help in getting the garage set up and decorated for the event. Anyone willing to help with any of these things should contact Kevin or Mike.

Matt gave an update on his coozies. He said he has made 174 of them in 3 different colors. He also mentioned that if you ordered a tag from him that he had them to pass out tonight.

If you are wanting to buy a WACO license tag for the front of your Chevelle, please get hold of Matt Endsley 316-207-9538 and let him know the year of your Chevelle so that he can customize the tag for your car. He is selling these tags to members for only \$10.00 each. He will be selling other customized tags at the Regionals next year for \$20.00, so get yours now. See attached example below, they will be like the color ones.

DO NOT FORGET YOUR SHOW N TELL ITEM AT THE NEXT MEETING!!.

V-8 BBQ Grill Raffle. We are now selling raffle tickets for someone to win a beautiful V-8 looking gas grill. We have the grill and will be selling tickets at the next meeting and WACO Luncheon.

If members will help sell the tickets or at least buy some then we be successful. We raffled one off in the past and did real good raising money for the club. The tickets will only be \$1.00 each or 6 tickets for \$5.00.

The grill costs around \$500.00 so it is a sizeable investment by WACO. Plus we have to buy the raffle tickets to sell, they may cost around another \$100.

Please send me information to put in the “WACO Update”. As you can tell most of this stuff I make up myself except for the minutes which are always good for more information. Even jokes from Doug are acceptable. ☺

We have a fine group of gentlemen working on putting together the **Midwest Chevelle Regionals 2024** here in Wichita. If you have any suggestions please let Kevin Clark, Bob Cox or David Hime know about them. They are making good progress in most areas but can use all of the help and suggestions that they can get.
