WACO Family and Friends;

What a great meeting we had. I think that there were 32 people in attendance. That is great.

People turned in raffle ticket money, registered for the Regionals and paid their dues.

We also had a new member join WACO, Troy Moore. He has several Chevilles 1 1965 and 2 1967 I believe. Troy originally joined WACO in 1997 member #201, he just hasn't been around for a while. He was instrumental in having us show up at Wichita Burner for free food this summer and he also got Wichita Burner to donate a garage heater to WACO for the MCR raffle. Good to have you back Troy.

Please get with David Hime 316-371-7100 to turn in the Chevelle Automobile raffle ticket money or the unsold raffle tickets ASAP so he can get that closed out within the next two weeks.

A note from Becky about the WACO Ladies Luncheon.

David, Kevin & WACO members;

I had 5 ladies for our luncheon today, including myself. We ordered the cheese ball appetizer for 8.99 to share. Had a good time. The ladies all agreed to help put the goody bags together. They also agreed that some gift baskets would be a good idea and they will start looking for items to be put into goody baskets for the Regionals.

At our request Dale made a couple more changes on our web site. Check it out.

Kevin Clark, our illustrious and hardworking president needs our help in gathering up "Hot Wheels" for a raffle item that he wants to put together for MCR 2024.

He would like Chevelle and El Camino "Hot Wheels" but as long as it is a GM product it will work.

He needs them to fill up a gumball machine similar to the one pictured below. I am not sure if the picture will open or not but I tried. ☺ Maybe I will try e-mailing the picture to everyone on a separate e-mail.

Please give Kevin a call 316-644-6049 or send him an e-mail ksnclark@cox.net so you can get together with him with your "Hot Wheels" donation. Or just bring it to the next meeting.

I know that I sent this note out in the last update so I wanted to pass on the experience that Bob had when he took his tank in. Not Good. It was not as clean as he had hoped for so he was disappointed and then ordered a new one.

If you happen to need a gas tank cleaned out, Bob Moore told me that Wichita Truck and Tank Wash, 805 E 26th St N. 316-838-9271, will clean them out for you. It costs between \$65 and \$100 depending on exactly what needs done.

Are we going to have a **WACO Chili Cookoff** this year?

We should have a **WACO poker night / Casino night** so we can all learn to play 21 / black jack. It would be a good time and we can play with Chevelle Bucks for prizes or something. Think about it, get with me.

Please take a minute out of your busy lives and go take a look at our WACO website. www.wichitachevelle.com

We are trying to bring attention to the Midwest Chevelle Regionals (MCR) that we are hosting in 2024.

Please look our site over and let me know what you think or what changes you think we should make.

After the Regionals we can change it back or whatever.

We have a fine group of gentlemen working on putting together the **Midwest Chevelle Regionals 2024** here in Wichita. Kevin Clark, Bob Cox, David Hime.

They are making good progress in most of the areas that need taken care of. I think that everyone is shocked by the prices that they are getting because of inflation in the last couple of years.

We do have budgets that we are trying to meet but just like at home, budgets are made to be broken. 😊

Kevin is working very hard trying to get us sponsors for the show. With the help of James Oliphant they landed BG Products the other day. Good job guys.

All of them are spending a lot of their time getting things taken care of. Remember to thank them.

See more information about MCR 2024 way way way below. 😊

The **Kansas Sunflower Swap Meet** at Century II is coming soon. WACO has swap meet spaces for members to use. Gather up your parts, save up your money and get ready to buy and sell stuff. 😊

We are doing good on selling the grill raffle tickets. We have sold enough tickets to pay for the grill so more sales will be profit for WACO.

V-8 BBQ Grill Raffle. We are now selling raffle tickets for someone to win a beautiful V-8 looking gas grill. We have the grill and will be selling tickets at the next meeting and WACO Luncheon.

If members will help sell the tickets or at least buy some then we be successful. We raffled one off in the past and did real good raising money for the club. The tickets will only be \$1.00 each or 6 tickets for \$5.00.

The grill costs around \$550.00 so it is a sizeable investment by WACO. Plus we have to buy the raffle tickets. They may cost around another \$100 plus the fliers. We have around \$700.00 invested.

Please send me information to put in the "WACO Update". As you can tell most of this stuff I make up myself except for the minutes which are always good for more information. Even jokes from Doug are acceptable. 😊

I am – You are, “We the People”

Today is the most important day of your life.

In God We Trust

Never Forget

Let it go!

Think Before You Speak.

WACO Members: **See Below.**

This e-mail is about the **Midwest Chevelle Regionals** that we are hosting this year.

The first thing that I want to mention is **“Let’s all get signed up ASAP”**.

You know that you are going to put your car in the show, you know what t-shirts you are going to order and you know about any extra meals that you are going to need so please get signed up now.

If you are not going to put your car in the show but you still want the meal and a shirt, then fill out the form and get it taken care of.

The reason I mention this is because there is a lot of paperwork that needs processed behind the scenes and it is harder to do the day of the show. Also we are not going to order a bunch of extra shirts so if you want one then you need to get it on order.

I have attached a copy of the flier for your convenience.

While you are filling out the check for the show you might as well **add your yearly \$30.00 dues to the check** and get it all taken care of at once.

For those spending the night you should make your online reservations by following the link below or by going to our web site and following the Hyatt Hotel link. https://www.hyatt.com/shop/rooms/ictzw?location=Hyatt%20Place%20at%20Wichita%20State%20University&checkinDate=2024-05-30&checkoutDate=2024-06-02&rooms=1&adults=1&kids=0&corp_id=G-MCRC

To get the \$139.00 price you have to make your reservations on line.

We have some good sponsors for our show already, **O'Reilly Auto Parts**, **Automotive Diagnostic Center**, 4600 E Central, Wichita KS 67208 1-316-686-4848 and as of today, **BG Products**. (They are not on the flier yet, waiting on logo), Also Wichita State University – Braeburn Square.

It takes all of us to put this show on so please volunteer to help.

I am sure that there will be more later.
