### **WACO Family and Friends;**

I know that it is kind of the last moment to let everyone know, but we are running out of month and we still want to have a luncheon in July. So we have decided to have our **WACO Luncheon this Thursday 07/25/24 at 1:00 pm at Los Cocos 324 E Cloud in Andover.** We have met there before, the food was good and so was the service. There are some coupons in The Best of Kansas magazine.

And Ladies please do not forget about the Ladies Luncheon on Friday.

Ladies of WACO,

It's time to have another Ladies luncheon! This time we will be meeting on a Friday, July 26, 2024, at 1 PM at Mexico Viejo located at 6960 W. 21<sup>st</sup> St. North. Please RSVP if you can come by Wednesday July 25. This is located just east of Ridge Road on 21<sup>st</sup> street, almost across to the north from the Sedgwick County Park. Look forward to seeing you there!

**Check out the pictures on our web site.** If you haven't been to our WACO web site lately then you need to do it now. Steve Castaneda took a lot of pictures for us at the Regionals and Margaret Lafferty to a really good video of the cars driving out of the parking lot to go on the poker run.

We do have some more pictures to add, but what Dale has put on the site for us so far are great. Check it out!

If anyone is interested in owning a 1988 IROC with only 49,000 miles on it for \$11,000.00 then give Rick Miller 316-259-8349 a call.

Kevin is still working with Don Hattan Chevrolet on how we are going to proceed on helping with the 1931 Chevrolet Fire Truck. It was fun last time getting with everyone to look at it.

We had really good attendance at our last meeting, you should have been there. The shaved ice thing was a great idea.

Attached are the minutes, from Becky, for our last meeting. Please read the attached for a lot more good information.

At our last meeting Kevin mention that it would be good if we started letting each other know which car shows we plan on attending. If you are going to attend a show, send me an e-mail and I will let others know.

Wichita Burner enjoyed having us at their open house last year and they would like to do it again this year. Right now they are planning their open house for Wednesday September 18 around lunch time. There will be good parking for all of our cars and FREE FOOD and soft drinks. Please put it on your calendar and plan on attending.

Maybe we can get the Falcon club and the Camaro club to join us there.

If you took any pictures at the MCR 2024 and would like to have them posted on our web site when we do the others please send them to David Hime [dhime@sbcglobal.net](mailto:dhime@sbcglobal.net) and we will try and get them added.

You can follow one of the links shown below for Regional pictures.

If you are looking for an **El Camino**, now is your chance to buy one. Gene League has two of them **for sale**. One is a 1965 and the other one is a 1986 or 87 I think. ☺

Call Gene for details, 1-316-648-0192 or [genevleague@gmail.com](mailto:genevleague@gmail.com).

**If anyone is looking for a 1967 SS, here is your chance to own one.**

I did want to let you know that I might be interested in selling my 67 SS red 4 speed Chevelle but it would be in the \$50,000 plus range. I do have \$20,000+ of receipts. I would eventually get another one but I would like an automatic with power steering and possibly ac. I know the vin # validates a factory 396 SS but not sure on the motor. I know it was completely rebuilt and I believe it is the original motor. Miles is less than 40,000. I have not actually advertised it yet but wanted to let you know in case you might know or hear of anyone that might be interested. Thanks Roger Wiggett [rwiggett@cox.net](mailto:rwiggett@cox.net)

**I hope that you ordered your WACO shirt from David H by now because I believe he is placing the order today.**

**Important:** Everyone;

We have the chance to order more of the **WACO Club Shirts only**.

These are the shirts with the WACO logo on them, front and back.

You must reply to this e-mail and copy in David Hime ([dhime@sbcglobal.net](mailto:dhime@sbcglobal.net)) to place your order. David H. will keep track of the orders and make sure that you receive your shirts.

Even if you have told one of us what you want, please put it in an e-mail.

These shirts can be purchased in both a short sleeve and a long sleeve shirt. You can also get the female style if desired. There will probably be an upcharge for long sleeve's but we do not know what it will be at this time, probably minimal charge.

You can also get these in **almost any color** that you desire or at least as close as they can get.

This is the pricing per each on the short sleeve shirts: women's or men's.

S - X lg \$17.00

XX lg \$19.00

XXX lg \$20.00  
XXXX lg \$21.00  
XXXXX lg \$22.00

Please get them on order ASAP!

Please let me know if you had any problems with the fluorescent colored shirts that we ordered for the Regionals.

Don Overstake, a WACO member, has a 468 CI engine for sale and you can hear it run if you are interested.

Brian McNeil, a WACO member, has a couple of cars to sell.

I am looking to sell a couple of my cars and some parts. I have a 1970 Chevelle LS6, red automatic, that is on the LS6 registry and had a frame on restoration performed by Rick Nelson of Muscle Cars Design and Restoration. The car doesn't have documentation, but Rick has all the photos for the unit. I also have a 1971 Monte Carlo SS 454, triple black in color, with all options. It had a complete three year restoration performed on it. I have a spare LS6 engine for a 1970 Chevelle LS6 4

speed that Rick Nelson restored for me as a spare, a TH400 automatic transmission, rear axle housing for a 1970 Chevelle F41 suspension that came off a LS6 car with a date code of Jan 1970.

I'm not sure how to post this stuff or sell it, but I would like them go to good homes. Maybe you could share the above with some of the regional/local club members. People can reach out to me at my email or cell phone number if interested. Let me know about the club membership dues and I'll get those paid if I owe anything.

Respectfully yours,

Brian McNeil
