## **WACO Family and Friends;**

There is a lot of stuff to read below so please take some time to at least read part of it.

Our next meeting will be on September 4<sup>th</sup> at the Sedgwick County Park. WACO will be providing hamburgers, hot dogs, soft drinks and water. We will be in an air conditioned pavilion with tables, chairs and all of the other goodies. I will send out more information soon.

Attached are the minutes from our meeting at Mike & Cindy's place. Becky did a really good job of putting them together so please read them.

They will give you more information than I have provided.

Kevin has been in contact with Don Hattan Chevrolet about an upcoming car show that they will be hosting. **"Haulin' Oz Car Show"**

Below is part of his correspondence with Molly at Don Hattan. If you are interested in helping, then please let Kevin know, [ksnclark@cox.net](mailto:ksnclark@cox.net) or 316-644-6049. You can always talk to him at the next meeting also.

Hi Kevin, Don Hattan Chevrolet is proudly taking the reins of Haulin' Oz, the area's only All-GM Truck show this year. We will be hosting the show on Saturday, September 28, 2024 at the Kansas Aviation Museum. We're expecting around 300-350 people to attend the show, if not more (the interest in our event page is over 1,200 people, but we don't know if that many will actually come). The car show entries will arrive from 9-11 that morning, followed by judging from 11-1, and then finish with the awards ceremony around 2.

We are currently looking for some judges for the show, and thought we'd reach out to WACO to see if there is any interest for some members of the club to be judges? We're at most looking for six judges, but I believe we already have a few lined up, so I'm looking for maybe 2-3 judges and again, just wanted to gauge interest. If this is something that a few WACO members would be interested in, I will touch base with Erika and Deric to double check how many people we would be needing and then look for a time to have them stop in for a brief meeting to make sure the judges are all on the same page.

If you'd like more information about the show, you can check out our [Facebook Profile](#) and [Event Page](#) or visit our website [haulinoz.com](http://haulinoz.com).

Let me know what you think! Thank you, **Molly Sunberg** Multimedia Specialist

If you want to put your car in the next Cars & Cockpits show in Benton on August 17<sup>th</sup>, you need to send a picture of your car to Rob Santore at [carsandcockpitsKS@gmail.com](mailto:carsandcockpitsKS@gmail.com). I went to the last show as a spectator and even though it rained there were still a lot of cars there.

Legend of Hutchinson car show will be Saturday August 31<sup>st</sup>. Call 620-663-9195 for more information.

Broadway Medical will be holding their 30 year anniversary car show September 7<sup>th</sup>, 10 am until 4 pm, visit [gobroadwayhomemed.com/carshow](http://gobroadwayhomemed.com/carshow) for more information.

The 3<sup>rd</sup> Annual Reflection Ridge car show will be held on Saturday September 14 from 10 am until 1 pm. 3110 N Ridge Road, Reflection Ridge Golf Club East parking lot.

The Mid America Chevelle Club in KC will be hosting their annual one day Chevelle show on September 28<sup>th</sup> 2024. It is going to be held at a new location, Embassy Suites by Hilton, 10401 S Ridgeview Rd, Olathe KS 66061. For more information please go to their web site <http://midamericachevelles.com>.

The new location is the same place that they plan on Hosting the MCR 2025 show.

It might make a good one day cruise to go there and check it out this year.

Do not forget your show and tell item. We had some good ones last month.

At our last meeting Kevin mention that it would be good if we started letting each other know which car shows we plan on attending. If you are going to attend a show, send me an e-mail and I will let others know.

We need to start planning some WACO events like cruises, picnics, luncheons , dinners, tours or whatever you all want to do. Help with the planning by letting us know what you want to do.

Wichita Burner enjoyed having us at their open house last year and they would like to do it again this year. Right now they are planning their open house for Wednesday September 18 around lunch time. There will be good parking for all of our cars and FREE FOOD and soft drinks. Please put it on your calendar and plan on attending.

Maybe we can get the Falcon club and the Camaro club to join us there.

The 23<sup>rd</sup> Annual Alva OK show will be held on September 20,21 & 22 this year. This is a really good really big FREE car show. Lots of stuff going on. [www.bigcruiseandcarshow.com](http://www.bigcruiseandcarshow.com)

The next few car shows I stole from the D-Dudes information.

I have attached a copy of the 2025 Entry Form for you to print out. (from the BOD and Carl - You can tell ALL the D-Dudes that all the folks - Including BOD and me enjoyed the Hawaii Theme you did at the show.)

I am sure that all of you have already heard that Mandatory Water Restrictions go into effect on Monday 08/05/24. We are now in stage 2 of water conservation rules that will restrict those who water their lawns with City water will now be restricted to watering One Day Per Week. On their web site you can see the map that tells you which day of the week you will be able to water. They plan on fining people who do not follow the rules.

We all knew that it was coming so we might as well get started before it gets worse.

Kevin now has the parts off of the 1931 Chevrolet Fire truck so we / he can do some research in finding some replacement parts to make it run good again. I am not exactly sure what we need to do from here on but come to the next meeting and we will all find out.

I do hope that everyone plans on voting again this year.

I watched a very interesting video made by Uncle Tony's Garage about "Brand Suicide". I thought that it was very interesting so I thought that I would share it with you. I hope this link will get you there but if not go to YouTube and look for it.

**Christmas Party.** I know it seems like it is awfully early to think about Christmas but venues fill up quickly and if we are not on top of it we will not find a good one. Mike and Cindy are always happy to have us at their place but with the great turnout that we have been having it seems like we need a little more room.

Kevin has found us what appears to be a really good place at the Motorplex at WSU. The room seats around 100 people, has video and stereo equipment and we can get it for only \$100.00 for the evening.

I am sure that Kevin will have more information for us at the next meeting.

If you are looking for a Jeep Wrangler, here is your chance to buy one. 2008, V-6, 4x4, only 150,000 miles, and really cheap at only \$12,000.00 OBO, call Ken Smith 316-706-6717.

If anyone is interested in owning a 1988 IROC with only 49,000 miles on it for \$11,000.00 then give Rick Miller 316-259-8349 a call.

If you are looking for an **El Camino**, now is your chance to buy one. Gene League has two of them **for sale**. One is a 1965 and the other one is a 1986 or 87 I think. 😊

Call Gene for details, 1-316-648-0192 or [genevleague@gmail.com](mailto:genevleague@gmail.com).

**If anyone is looking for a 1967 SS, here is your chance to own one.**

I did want to let you know that I might be interested in selling my 67 SS red 4 speed Chevelle but it would be in the \$50,000 plus range. I do have \$20,000+ of receipts. I would eventually get another one but I would like an automatic with power steering and possibly ac. I know the vin # validates a factory 396 SS but not sure on the motor. I know it was completely rebuilt and I believe it is the original motor. Miles is less than 40,000. I have not actually advertised it yet but wanted to let you know in case

you might know or hear of anyone that might be interested. Thanks Roger Wiggett

Don Overstake, a WACO member, has a 468 CI engine for sale and you can hear it run if you are interested.

Brian McNeil, a WACO member, has a couple of cars to sell.

I am looking to sell a couple of my cars and some parts. I have a 1970 Chevelle LS6, red automatic, that is on the LS6 registry and had a frame on restoration performed by Rick Nelson of Muscle Cars Design and Restoration. The car doesn't have documentation, but Rick has all the photos for the unit. I also have a 1971 Monte Carlo SS 454, triple black in color, with all options. It had a complete three year restoration performed on it. I have a spare LS6 engine for a 1970 Chevelle LS6 4 speed that Rick Nelson restored for me as a spare, a TH400 automatic transmission, rear axle housing for a 1970 Chevelle F41 suspension that came off a LS6 car with a date code of Jan 1970.

I'm not sure how to post this stuff or sell it, but I would like them to go to good homes. Maybe you could share the above with some of the regional/local club members. People can reach out to me at my email or cell phone number if interested. Let me know about the club membership dues and I'll get those paid if I owe anything.

Respectfully yours,

Brian McNeil
