

**WACO Family and Friends;**

The **November meeting** will be held at Mike and Cindy's place on Wednesday November 6<sup>th</sup> at 6:00 pm.

We have a lot of items to discuss so come and join in on the conversation.

I have missed several e-mails / requests lately because of e-mail problems but it might all be fixed now. That is until it gets screwed up again. 😊

**It looks like we have several swap meets coming up in 2025** so plan ahead and don't miss out. (see below)

The **Hutch SWAP MEET** was a big success as far as I am concerned. Several members sold quite a few items and made a few bucks. I think WACO did OK due to the generosity of its members. We have some great people in our club.

Is anyone looking for a 1968-1972 12 bolt 3:08 single track rear end. I spoke with a guy in Hutch that has one for \$1,000.00 OBO.

A note from Roger Wiggett: Hey, David; I forgot to tell you that I did sell my 1967 Chevelle and also that I am in the market for another Chevelle or nova. Prefer automatic with or without ps and air. Like the red, black, grey or silver colors. Would like something very clean and straight with no major issues. Plan to drive more as well as participate in smaller car shows. Thanks, keep up the good work. ROGER WIGGETT [rwiggett@cox.net](mailto:rwiggett@cox.net)

David Hime has all of the t-shirts that we ordered. Come to our next get together and pick yours up or call David H. 316-371-7100 to go and pick yours up from him.

The ladies of WACO are well into the planning stages of our Christmas party so please put it on your calendar and plan on attending. After the next meeting I am sure that we will have more information for everyone. It should be a great time.

**Christmas Party:** Kevin has found us what appears to be a really good place at the Motorplex at WSU. The room seats around 100 people, has video and stereo equipment and we can get it for only \$100.00 for the evening.

I am sure that Kevin will have more information for us at the next meeting.

I am sure that all of you have already heard that **Mandatory Water Restrictions** go into effect on Monday 08/05/24. We are now in stage 2 of water conservation rules that will restrict those who water their lawns with City water will now be restricted to watering One Day Per Week. On their web site you can see the map that tells you which day of the week you will be able to water. They plan on fining people who do not follow the rules.

We all knew that it was coming so we might as well get started before it gets worse.

**I do hope that everyone plans on voting again this year.**
