

12/16/24

WACO Family and Friends;

I know that this seems awfully soon, but we will be having a **WACO luncheon on Thursday 12/19/25**. We will get together at **Sickies Garage Burgers and Brews, 2424 N Maize Road, 1:00 pm**. This is a car related restaurant, and I hear that the food is excellent.

Part of the reason that I want to get with everyone is that if we owe anyone some money for things that they purchased for the Christmas party I want to get them paid. I would like to close the financial books on 2024 at the end of the year. I do have some receipts from some of our people and I will get those paid. If you haven't been paid or turned in receipts for items purchased then please either come to the luncheon or just send me an e-mail detailing what you have / need and I will take care of it.

The luncheon is mostly for fun and to see what the place is like, so please attend. 😊

Speaking of the Christmas Party, I have heard that it was a lot of fun. I am sure that there were a few hiccups here and there but otherwise a very good time with family and friends.

PICTURES: We would like to share any pictures that you took with everyone. If you took any pictures at the event please send them to me so that I can ask Dale to put them on our website under Christmas 2024 or something.

Since I wasn't able to attend, like several others, I would like to see the pictures. Please share!

We will not be having a meeting in January just to give everyone a chance to relax for a while.

We will still be having our first meeting in 2025 on Wednesday February 5th, 2025 to get the year going. We will be meeting at Mike & Cindy's place at 6:00 pm.

It looks like we have several swap meets coming up in 2025 so plan ahead and don't miss out. (see below)

A note from Roger Wiggett: Hey, David; I forgot to tell you that I did sell my 1967 Chevelle and also that I am in the market for another Chevelle or nova. Prefer automatic with or without ps and air. Like the red, black, grey or silver colors. Would like something very clean and straight with no major issues. Plan to drive more as well as participate in smaller car shows. Thanks, keep up the good work. ROGER WIGGETT
